HOST

"Empowering Organizations for a digital and cognitive revolution.

We are a digitally native company that leverages the latest digital and cognitive technologies and methodologies to transform organizations in every aspect."

WOMEN WHO

CODE

BOGOTÁ

OUR MISSION

Inspiring women to excel in technology careers.

WOMEN WHO CODE

OUR VISION

A world where women are representative as technical executives, founders, VCs, board members and software engineers.

**WOMEN WHO CODE**

CODE OF CONDUCT

WWCode is an inclusive community, dedicated to providing an empowering experience for everyone who participates in or supports our community, regardless of gender, gender identity and expression, sexual orientation, ability, physical appearance, body size, race, ethnicity, age, religion, socioeconomic status, caste, creed, political affiliation, or preferred programming language(s).

Our events are intended to inspire women to excel in technology careers, and anyone who is there for this purpose is welcome. We do not tolerate harassment of members in any form. Our Code of Conduct applies to all WWCode events and online communities.

Read the full version and access our incident report form at womenwhocode.com/codeofconduct

#ApplaudHer

In the last 6 months...

Got a new job?
Been promoted?
Changed careers?
Learned to code?
Learned a new language or
framework?
Spoke at a conference?
